Supplementary Regulations

For the purposes of these supplementary regulations, the term “standard” refers to ALRC trails vehicle classes 1 to 5 inclusive and the term “modified” refers to ALRC trails vehicle classes 6 to 11 inclusive.

This competition is held under the General Regulations of Motor Sport UK (Incorporating the provision of the International Sporting Code of the FIA), the regulations of the Association of Land Rover Clubs, and these supplementary regulations.

1. The competition is open to all members of competitive clubs who are members of the Association of Land Rover Clubs.
2. Competitors will maintain vehicle number order whenever possible.
3. Scorecards are to be marked by the scoring marshal only. In addition, they are to be marked prior to moving to the next section.
4. Competitors are responsible for checking their scorecards are marked correctly.
5. Scorecards are to be handed to the scoring marshal at the end of each trials day.
6. Shunts need not be nominated prior to starting a section.
7. When drivers (or navigators) of LWB vehicles call “shunt”, the permitted shunt will be deemed to have been used whether actually used or not.
8. A vehicle positioned in the 12 gate will be deemed to have started the section and no external assistance/guidance is permitted after this time
9. When marshalling a section, vehicles should remain stationary until a marshal has called the score. This includes steep and/or slippery finishes.
10. Only marshals may call a score. Drivers and spectators are not

signed on as officials.

11. No driver or navigator may touch a cane or number flag. Tampering with either will incur a 12 point penalty. Furthermore, no obstacles on the course may be moved by competitors. Where the course has been altered by the previous vehicle such that damage is presented to subsequent vehicles or competitors, the Group Lead Marshal's advice is to be sought.

12. Chain and/or strops are not permitted to be used for recovery purposes.

13. The carrying of a spare wheel is optional.

14. Where the load area of the vehicle is open to the driver/navigators area, all heavy and/or hard and/or sharp equipment is to be securely fixed in position.

15. All servicing must take place over a sheet that is impervious to fluids and all waste fluids and parts are to be removed from the site at the end of the event.

16. Provisional results will be posted at the signing-on tent at the end of each day.

17. Appeals should, in the first instance, be made to the group-leading marshal. If the appeal is not satisfactorily resolved, further representation should be made to the Clerk of Course. Further appeals must be made in writing and be accompanied by the appropriate fee.

18. For the RTV Unlicensed drivers aged 16+ are permitted to enter. They must submit their completed record card, showing they have completed 4 RTVs, and a letter of endorsement from their respective club's committee, on return of their entry form. They must also have an experienced navigator for the duration of competition
